

What Would You Give to Help Save Laguna?

And What We'll Give You for Donating to Laguna Residents First

Laguna Residents First, a non-profit advocacy group created by and for Laguna residents, is dedicated to giving Laguna Beach voters a voice in city government – a voice that offsets the many over-developmental changes being proposed that could change the city's unique small town look and feel.

Accomplishing this takes the financial support of those who love Laguna without jeopardizing its public safety, property values and neighborhood-friendly values.

How You Can Help

Volunteer to get the word out. Or donate to help fund the cause and get a Help Save Laguna T-shirt or lawn sign.

I would like to help with the phone bank or passing out flyers.

I would like to walk my neighborhood to obtain signatures once restrictions are lifted. For donations, please mail checks payable to Laguna Residents First or visit us online.

Enclosed is \$20 – please send me a "Help Save Laguna" lawn sign.

Enclosed is \$100 – please send me a "Help Save Laguna" lawn sign and T-shirt. Please circle size: S M L XL
